Connect | Ministry Goals

- To be the community of God, a hospitable and friendly church changed by the gospel (Acts 2)
 - ▣ Cannot program this, it must be gospel motivated. (Romans 15:7)
- To see hospitality as a ministry. Ministering to why people visit the church. Common ministry needs:
 - They are experiencing a **life transition** (loss of job, death in family, conversion, illness, marriage)
 - They are **new to the area** and seek a church.
 - They are '**church shopping**' and their reason for leaving their prior church ranges from consumerism to legitimate theological convictions
