

Simplefy

Commercial Payment Solutions Experts

- ❑ Simplefy can provide the most cost effective pricing for our clients because we cut out the middle-man and usher the merchant directly to the source of merchant processing: First Data Merchant Services.
- ❑ Simplefy empowers the merchant to be “in the know” about their fees and statements to ensure they know **WHAT** they are paying for and **WHY** they are paying for it.
- ❑ With our **FREE audit** we will help expose hidden fees and compliance issues to eliminate any “fat and gristle” in your merchant portfolio, offering you the lowest rates with the highest degree of personal customer service in the industry.

Your Company

Third-party Merchant Processing Resellers of First Data Merchant Services (FDMS)

Global Leader in Merchant Processing

Conduit to send / receive credit card data between merchant and issuing bank

Association Fees
